RESOURCES

Relocating to RAF Lakenheath is an exciting adventure, but it also comes with a mountain of unique questions. Whether you are wondering how to navigate housing, where to find the best Sunday roast, or how to set up your UK phone plan, you do not have to figure it out alone.

While your unit's Key Support Liaisons (KSLs) should always be your first point of contact for official resources, connecting with the local community online is one of the fastest ways to settle in. The Liberty Wing community is incredibly active online, offering an absolute goldmine of firsthand PCS tips, housing

recommendations, and local classifieds. To help you hit the ground running, we have compiled a comprehensive list of the most useful Facebook groups every incoming member and family member can join.

Community & Support Hubs

These groups serve as your primary networks for general advice, meeting people, and learning how to navigate everyday life.

- [Things I wish I knew Before I PCS'd](#): This is a group for members stationed all across the world. Members share tips for PCS seasons.
- [Tribase Spouses & AD RAF Lakenheath/Mildenhall/Feltwell](#): One of the most active private networks for sharing firsthand relocation experiences and advice.
- [Tribase Spouses - Off Base Employment](#): This group helps spouses of active-duty members and contractors navigate the UK job market and network while seeking or maintaining off-base employment. It strictly focuses on local UK hiring and does not cover on-base positions, remote US work, or business startups.
- [Tribase-A Village Away From Home](#): Support group for Tribase members.

Official Base Organizations & Services

- [USO United Kingdom](#): A fantastic organization providing a touch of home through community events, free snacks, deployment support, and holiday celebrations for service members and their families.
- [RAF Lakenheath, Arts & Crafts Center](#): The go-to page for creative classes, framing services, custom embroidery, engraving, and picking up DIY supplies for your next home project.

- [Swanky Seconds – Lakenheath Thrift Shop](#): A popular on-base consignment and thrift shop where you can score hidden gems, cheap winter gear, and affordable home decor.
- [Liberty Library](#): Great for community programs, book clubs, and free resources for all ages.
- [RAF Lakenheath Housing Management Office](#): Essential for staying up to date on base housing policies, waitlists, maintenance alerts, and off-base rental guidelines.
- [RAF Lakenheath Airmen's Food Pantry](#): A supportive community initiative providing free groceries and essential pantry staples to airmen and families facing temporary food insecurity or PCS transitions.

Sales, Housing, & Classifieds

Because traditional Facebook Marketplace rules can be tricky for military personnel, these localized groups are crucial for buying and selling PCS goods.

- [RAFL/M/F Tri-Base Area Online Yard Sale](#): A broad classifieds page for furniture, household items, and uniform pieces.
- [Tribase Buy Nothing](#): Specifically geared toward incoming and outgoing families looking to offload or acquire household goods for free.

- [Official RAF Lakenheath/Mildenhall Lemon Lot Car Sales](#): A high-traffic group specifically built for Tri-Base community members, including those at Alconbury and Molesworth.
- [Lemon Lot @ RAF Lakenheath/Mildenhall/Alconbury](#): Excellent for browsing public automotive listings, tracking down reliable daily drivers, and comparing vehicle options.

Pets & Shipping

- [UK Tri-Base Pet Services & Activities](#): Perfect for finding local pet sitters, dog walkers, and veterinarian recommendations around Suffolk.

Events & Local Activities

- [Tri-Base and Beyond Events](#): Find out about upcoming British markets, festivals, and weekend trip ideas across the UK.

KEY SUPPORT LIAISONS
